女儿国传奇

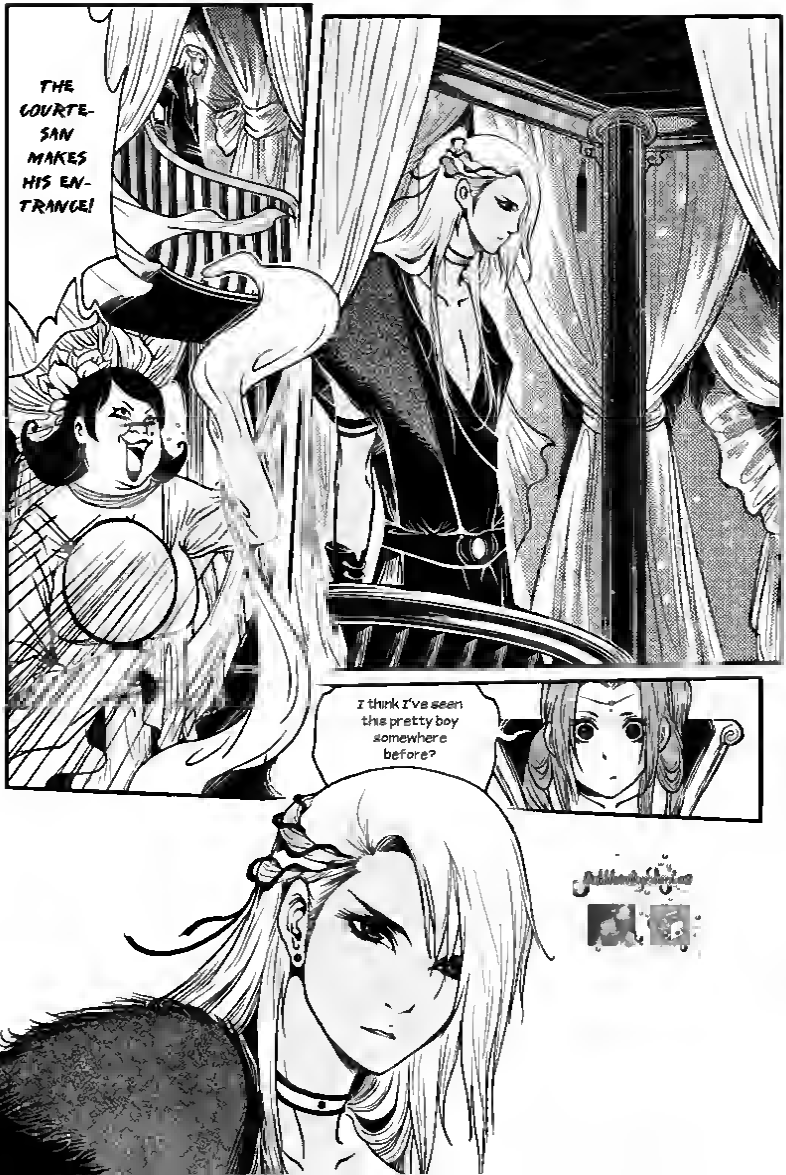
胜男篇

作者：王曼

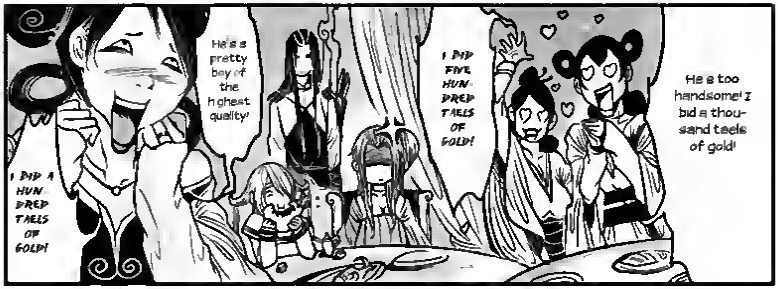
第9集

He actually used QingFeng and WuYan to threaten me into coming here to help him kill someone! Do you take me for a fool?
Stupid freak!
But for now I'm able to see and experience JiHong Yuan that could have only been in historical dramas.
It seems pretty luxurious and stylish.
It just feels a little weird.
It's more fitting to call this place a male host club

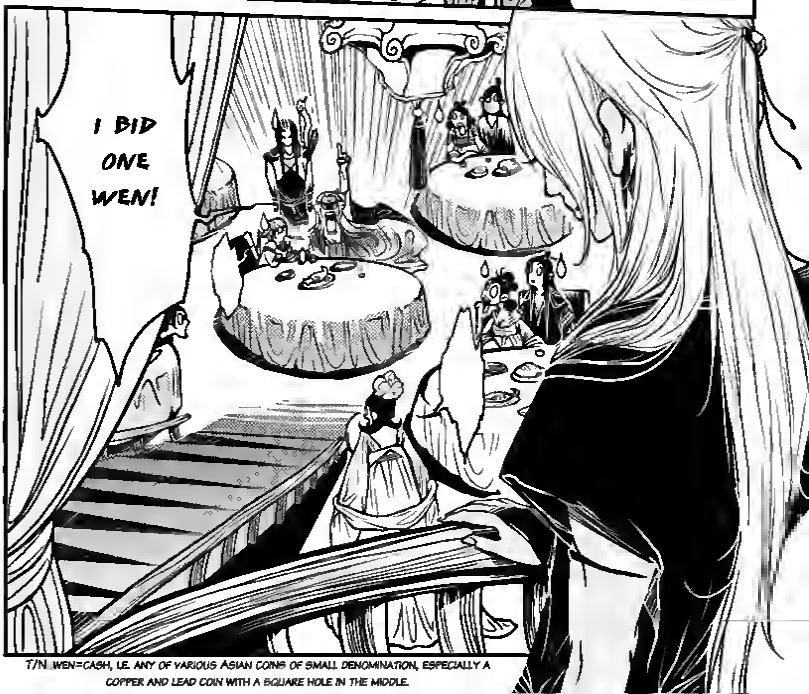
To our honored guests we apologize for the long wait. The auctioning of our courtesans will begin!
Boss! Quick, give us a glimpse of your courtesans!
I'm sure that you will definitely like the courtesans this year!
Relax I'm not going to fight over any of them with you, I'm already committed!
Where did this kid come from? And speaking so unceremoniously to me.
Could be that freak's acquaintance. Really... birds of a feather flock together. And I can't tell this kid's gender...
Aha... It doesn't matter.
This is truly delectable!
The kitchen in the backyard is my true reason for coming here



THE COURTE-SAN MAKES HIS EN-TRANCE!
I think I've seen this pretty boy somewhere before?

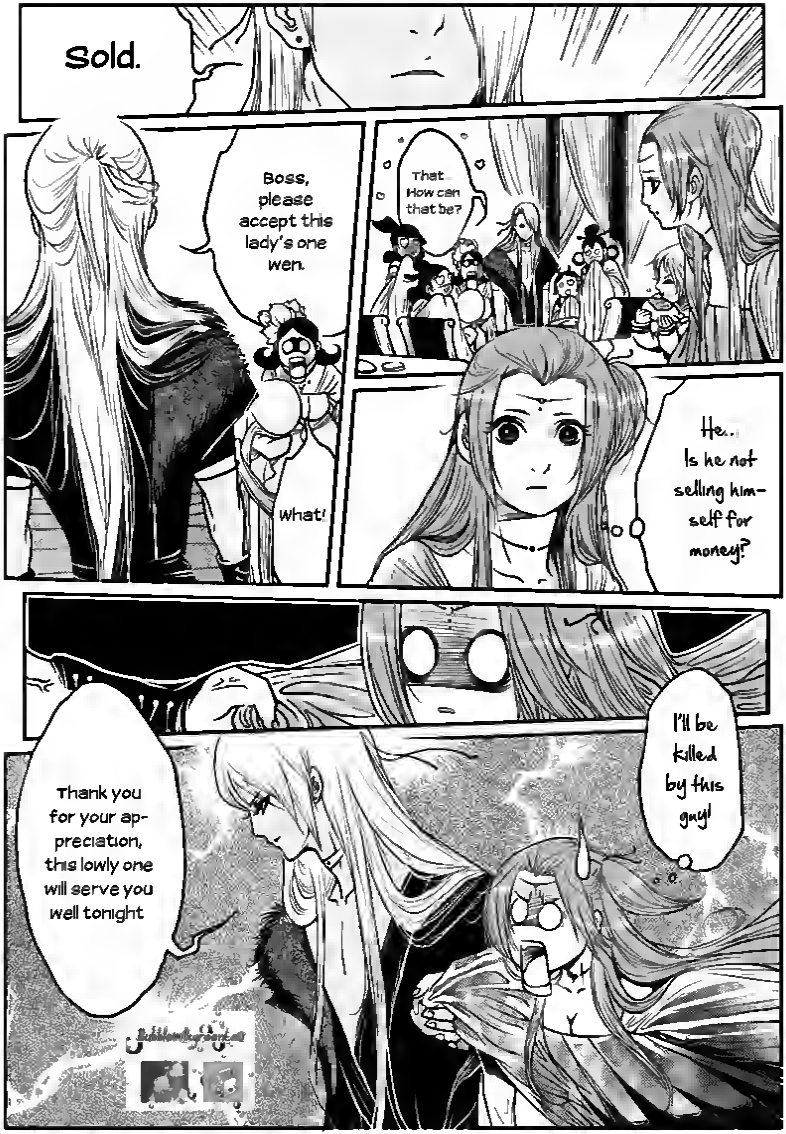


He's a pretty boy of the highest quality!
I BID A HUN DRED TAELS OF GOLD!
I BID FIVE HUN DRED TAELS OF GOLD!
He's too handsome! I bid a thou-sand taels of gold!

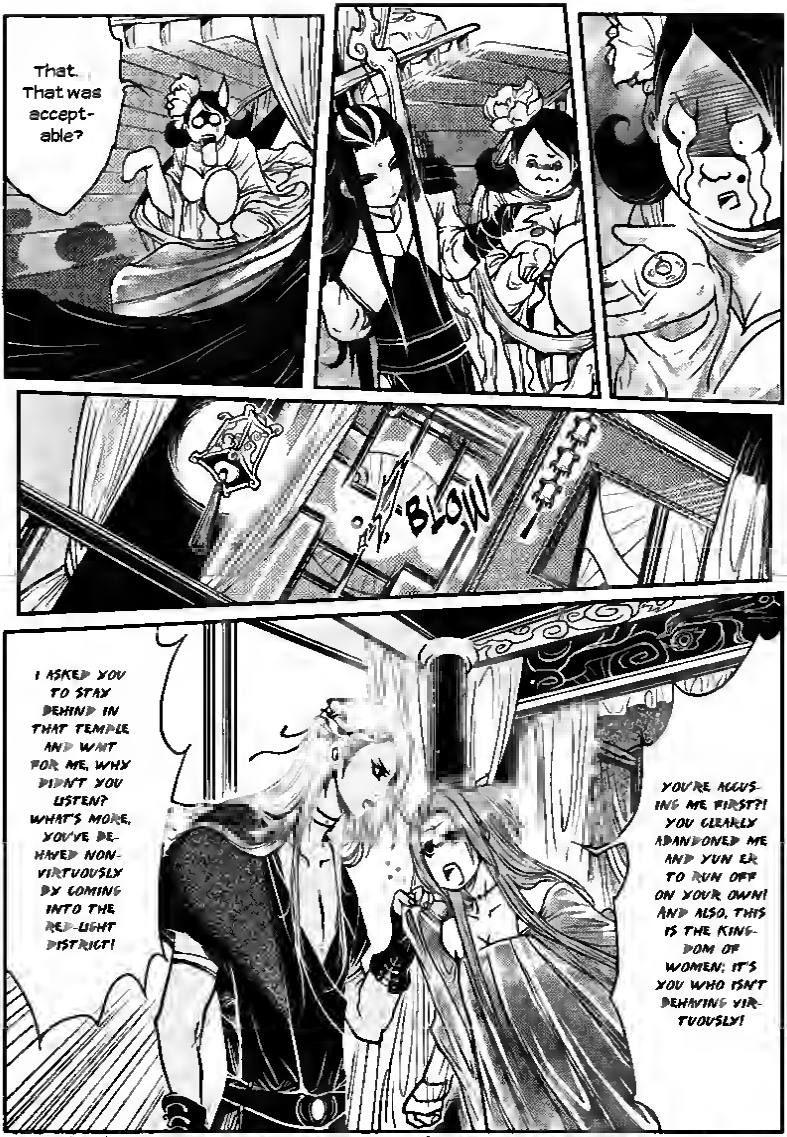


T/N: WEN=CASH, I.E. ANY OF VARIOUS ASIAN COINS OF SMALL DENOMINATION, ESPECIALLY A COPPER AND LEAD COIN WITH A SQUARE HOLE IN THE MIDDLE.

If you don't have the money, don't try to imitate others to bid for the courtesans!
Just chase her out!
A stinking untrustworthy guy can only be worth this much!
Aha, customer, please don't make such a joke
FINE, I'M OUTTA HERE! IT'S NOT LIKE I CAME HERE ON MY FREE WILL!
Pat
Don't try to be clever and attempt to slip away, my arrows don't agree with that! And don't forget about the lives of those two people, it's up to you how you want to act!



Sold.
Boss, please accept this lady's one wen.
What!
That... How can that be?
He.. Is he not selling himself for money?
I'll be killed by this guy!
Thank you for your appreciation, this lowly one will serve you well tonight

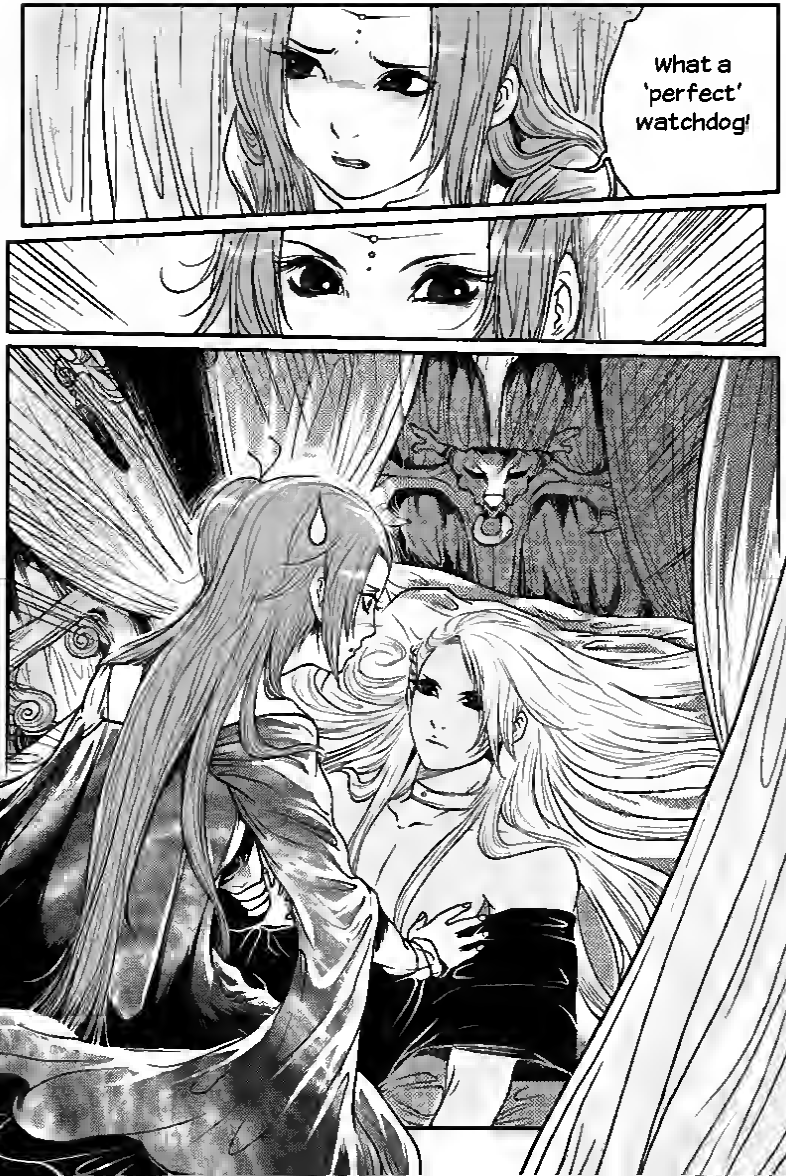


That. That was acceptable?
BLOW
I ASKED YOU TO STAY BEHIND IN THAT TEMPLE AND WAIT FOR ME, WHY DIDN'T YOU LISTEN? WHAT'S MORE, YOU'VE BEHAVED NON-VIRTUOUSLY BY COMING INTO THE RED-LIGHT DISTRICT!
YOU'RE ACCUSING ME FIRST?! YOU CLEARLY ABANDONED ME AND YUN ER TO RUN OFF ON YOUR OWN! AND ALSO, THIS IS THE KINGDOM OF WOMEN; IT'S YOU WHO ISN'T BEHAVING VIRTUOUSLY!

T/N: THE TERM 'FUDAO' IS LITERALLY 'WIFELY WAY'. IT'S HOW WOMEN SHOULD BEHAVE. SO HE'S SAYING THAT SHE IS NOT BEHAVING ACCORDING TO WHAT SHE IS SUPPOSED TO, BUT IT'S TOO LONG TO TL LITERALLY. AND THEN SHE TURNS THE TABLES BY SAYING HE'D NOT BEHAVING HIMSELF ACCORDING TO THE 'HUSBAND WAY',

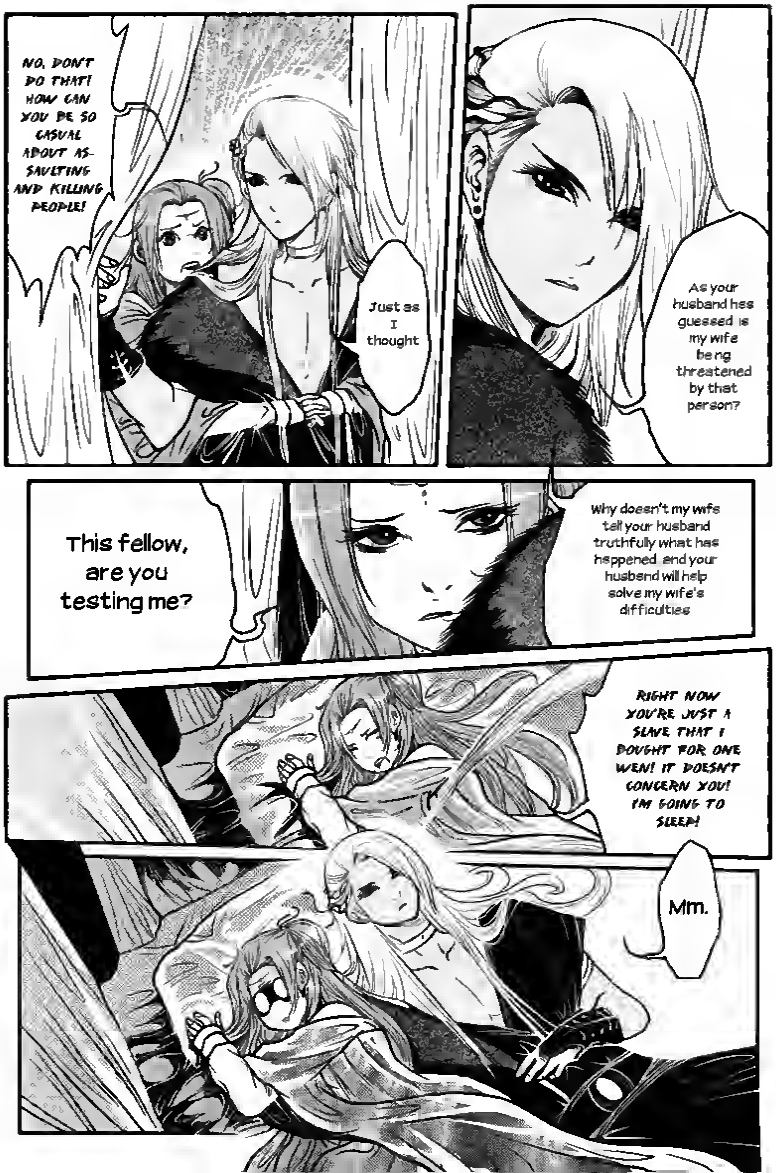
How can I, SITU LIELONG, abandon and ignore my dutiful wife! Did you know I almost went crazy with how long I spent looking for the both of you?!
HMPH! WHO'RE YOU CALLING YOUR DUTIFUL WIFE! I DIDN'T PROMISE TO BE YOUR D... WIFE!
Spout any more nonsense and I'll beat you!
Miss, do you have orders?
Crap! Totally forgot about that fellow
Do you need this servant to enter and serve?
Get lost!
I'M GOING TO SLEEP, SO DON'T COME AND BOTHER US!
Understood!
This servant will be waiting outside for the WHOLE NIGHT

T/N: HE ADDRESSES HER AS A 'WIFE WHO HAS SHARED HER HUSBAND'S HARDSHIPS'



What a 'perfect' watchdog!

Why did my wife come to such a place? Who is the man outside?
It was you who pulled me to the bed
Scoundrel!
SLAP!
Not a good person? Did he do anything to my wife?
Anyway the fellow outside isn't a good person!
I can't tell you!
Your husband will break his limbs!



NO, DON'T DO THAT! HOW CAN YOU BE SO CASUAL ABOUT AS-SAULTING AND KILLING PEOPLE!
Just as I thought
As your husband has guessed is my wife being threatened by that person?
This fellow, are you testing me?
Why doesn't my wife tell your husband truthfully what has happened and your husband will help solve my wife's difficulties
RIGHT NOW YOU'RE JUST A SLAVE THAT I BOUGHT FOR ONE WEN! IT DOESN'T CONCERN YOU! I'M GOING TO SLEEP!
Mm.

I'M SLEEPING ON THE BED; YOU CAN SLEEP ON THE FLOOR!
Looks like that person is merely a servant, there should be a mastermind behind the scenes.
To dare to threaten SiTu LieLong's woman, wait till I've uncovered what's going on, I will definitely take your life!
It's no laughing matter with me bearing the weight of both QingFeng and WuYun's lives, I definitely can't involve LieLong in this! For now, I can only take things one step at a time and act when an opportunity arises

What a timely appear-ance!
